Description :

PDF-ade8c | We are surrounded by type. Onscreen, in the newspaper, in books, on signage—everywhere we look we encounter a dizzying array of typefaces, myriad styles put to countless purposes. This visual introduction to typography can help us make sense of that welter—and, by making sense of it, begin properly to appreciate it. The book opens with an alphabetical run-through of a number of significant fon... *A-Z of Typography: Classification - Anatomy - Toolkit - Attributes*
