Description :

PDF-37ae1 | The late eighteenth century in England was the first great age of cartooning, and English caricature prints of the period have long been enjoyed for their humor and vitality. Now Diana Donald presents the first major study of these caricatures, which challenges many assumptions about them. She shows that they were a widely disseminated form of political expression and propaganda as subtle and eloq... *The Age of Caricature: Satirical Prints in the Reign of George III (The Paul Mellon Centre for Studies in British Art)*
