Description :

PDF-733a8 | The first substantial monograph of Andreas Gursky's work since 1984 this series of large-format color photographs depicts vast panoramic scenes: entire cityscapes, endless horizons, multi-floored office buildings, huge factory corridors and crowded public spaces. Taken from a distance, often with a bird's eye view, they represent more than a set of photographs of various locations—rather Gur... *Andreas Gursky: Photographs from 1984 to the Present*
