Description :

PDF-a0c22 | The notion of the brand, like any concept that dominates markets and public consciousness, is a challenge to define. Is it a simple differentiator of the cereals in our cupboards, a manipulative brainwashing tool forced on us by corporations, or a creative triumph as capable as any art form of stimulating our emotions and intellect? For those of us who grapple with these questions on a daily basi... *Brand Thinking and Other Noble Pursuits*
