Description :

PDF-a6387 | Castles were among the most dominant features of the medieval landscape and many remain impressive structures to the present day. This paperback edition of a book first published in hardback in 2002 is a fascinating and provocative study which looks at castles in a new light, using the theories and methods of landscape studies. For the first time castles are examined not as an isolated phenomenon,... *Castles and Landscapes (Studies in the Archaeology of Medieval Europe)*
