Description :

PDF-c07ea | We are all classicists--we come into touch with the classics on a daily basis: in our culture, politics, medicine, architecture, language, and literature. What are the true roots of these influences, however, and how do our interpretations of these aspects of the classics differ from their original reality? This introduction to the classics begins with a visit to the British Museum to view the fri... *Classics: A Very Short Introduction*
