Description :

PDF-1764e | The Colosseum in Rome is one of the world's most amazing buildings. Built over 10 years during the reign of the Emperor Vespasiano in c. 72AD, at 160 feet high this immense oval stadium was home to the most violent and deadly spectator sports in history, and the making of many 'gladiator' heroes. Using state-of-the-art computer graphics, Colosseum brings the world of Ancient Rome to life and shows... *Colosseum: Rome's Arena of Death*
