ISBN : #0870702823 | Date : 1977

Description :

PDF-4ae44 | First published in 1966, and since translated into 16 languages, this remarkable book has become an essential document of architectural literature. A "gentle manifesto for a nonstraightforward architecture," Venturi's *Complexity and Contradiction in Architecture* expresses in the most compelling and original terms the postmodern rebellion against the purism of modernism. Three hundred and fifty a... *Complexity and Contradiction in Architecture*
