ISBN : #9063693656 | Date : 2014-12-16

Description :

PDF-b38be | Conditional design is the sequel to Operative Design. This book will further explore the operative in a more detailed, intentional, and perhaps functional manner. Spatially, the conditional is the result of the operative. It is not a blind result however. Both terms work together to satisfy a formal manipulation through a set of opportunities for elements such as connections and apertures.... *Conditional Design: An introduction to elemental architecture*
