by Nigel Cross : **Engineering Design Methods: Strategies for Product Design**

ISBN : #0470519266 | Date : 2008-05-19

Description :

PDF-51f23 | Written in a clear and readable style by an experienced author of teaching texts, Engineering Design Methods is an integrated design textbook that presents specific methods within an overall strategy from concept to detail design. It also outlines the nature of design thinking, and sets it within broader contexts of product development and design process management. The book is much more than a ma... *Engineering Design Methods: Strategies for Product Design*
