Description :

PDF-e5c8a | Gateshead has often been overshadowed by Newcastle, its northern neighbour across the River Tyne, yet its history is full of fascinating insights into the way in which a northern industrial town experienced the 19th and 20th centuries. This book explores this period of great change through a study of the town's everyday historic landscape. The story of industry includes the legacy of railway engin... *Gateshead: Architecture in a changing English urban landscape (Informed Conservation)*
