Description :

PDF-b984f | A new generation of female artists is emerging who have grown up in a culture saturated with social media and selfies. This book looks at how young women are using photography and the internet to explore issues of self-image and female identity, and the impact this is having on contemporary art. Forty artists are featured, all of whose principal subject matter is either themselves or other women. Ea... *Girl on Girl: Art and Photography in the Age of the Female Gaze*
