Description :
PDF-477f2 | Although grid systems are the foundation for almost all typographic design, they are often associated with rigid, formulaic solutions. However, the belief that all great design is nonetheless based on grid systems (even if only subverted ones) suggests that few designers truly understand the complexities and potential riches of grid composition.In her best-selling Geometry of Design, Elam shows ho... *Grid Systems: Principles of Organizing Type (Design Briefs)*
