Description :

PDF-5d231 | How to Read Castles is a travel-sized primer that takes a strictly visual approach to castle architecture, building up the reader's vocabulary of castle types, styles, and materials, and showing how these aspects can be recognized across architectural features from the floor-plan and moat, to the towers and crenulations. Focusing on the period from the 10th to the 16th century, and crusading across... *How To Read Castles*
