Description :

PDF-93d84 | While the work of Henri Lefebvre has become better known in the English-speaking world since the 1991 translation of his 1974 masterpiece, *The Production of Space*, his influence on the actual production of architecture and the city has been less pronounced. Although now widely read in schools of architecture, planning and urban design, Lefebvre's message for practice remains elusive; inevitably ... *Lefebvre for Architects (Thinkers for Architects)*
