by Chris Lefteri : **Making It: Manufacturing Techniques for Product Design**

ISBN : #1856695069 | Date : 2007-06-21

Description :

PDF-32dc4 | There are many different ways in which a product can be manufactured, but most designers probably know only a handful of techniques in any detail. Using contemporary design as a vehicle to describe production processes, this book covers a broad range of almost 90 production methods with descriptive text, specially commissioned diagrams, product shots, and photographs of the manufacturing process. ... *Making It: Manufacturing Techniques for Product Design*
