Description :

PDF-397dc | Landscape photography is one of the most popular genres for amateur photographers. Mastering the genre, however, takes time: time to perfect exposure, color, composition, and—perhaps above all else—the ability to see and record the landscape in a way that will make your photographs stand above the rest. This guide delves into the world of 16 leading lights, each with their own unique take on h... *Masters of Landscape Photography*
