Description :

PDF-451f1 | Bring the rhythms of nature into your craft! More and more textile artists are using natural processes in their work, from dyeing with rust to incorporating found and scavenged items. This is the first book dedicated to this popular topic, with advice on how to work creatively with what's close at hand. Bury your embroidery to give it a patina, make sun prints with found objects, and do "beachcomb... *Natural Processes in Textile Art: From Rust-Dyeing to Found Objects*
