Description :

PDF-11fc9 | Ronald B. McKerrow's *An Introduction to Bibliography for Literary Students* has been the classic manual on bibliography, showing how the transmission of texts might be affected by the processes of printing, but he concentrated almost exclusively on "Elizabethan" printing - the period from 1560 to 1660. However, in recent years, there has been an increasing interest in the textual problems of the 18... *A new introduction to bibliography*
