Description :

PDF-4c5ef | Patchwork quilts are hugely evocative emblems of our domestic past. With no two quite the same, each example hints at both the story of the particular household in which it was produced and at a larger piece of social history. But quilting is by no means only historical, with the craft seeing a huge revival in popularity in recent years, and items that were once made for purely utilitarian and p... *Patchwork and Quilting in Britain (Shire Library)*
