Description :

PDF-3ad63 | The term 'tailored' has changed as methods of manufacture and the retailing of clothes have evolved. This book demonstrates the wide range of cutting methods used to produce garments which are described as 'tailored' jackets. Although the main focus is on modern methods of producing clothing, a rich and complex cutting tradition is acknowledged and used. It is hoped that the modern garment designe... *Pattern Cutting for Women's Tailored Jackets: Classic and Contemporary*
