Description :

PDF-8cacad | An epic dive into modernist photography by the museum that helped shape its history. The history of photography has been told many times, but never before through the incomparable collection of photographs at The Museum of Modern Art. As the second volume in a set of three books that together present a new and comprehensive history of photography through works from MoMA's collection, this publicat... *Photography at MoMA: 1920 to 1960*
