**: Photography: A Critical Introduction**

ISBN : #0415854296 | Date : 2015-03-29

Description :

PDF-d97bf | Photography: A Critical Introduction was the first introductory textbook to examine key debates in photographic theory and place them in their social and political contexts, and is now established as one of the leading textbooks in its field. Written especially for students in higher education and for introductory college courses, this fully revised edition provides a coherent introduction to the ... *Photography: A Critical Introduction*
