Description :

PDF-1fe50 | One of the delights of life is the discovery and rediscovery of patterns of order and beauty in nature—designs revealed by slicing through a head of cabbage or an orange, the forms of shells and butterfly wings. These images are awesome not just for their beauty alone, but because they suggest an order underlying their growth, a harmony existing in nature. What does it mean that such an order ex... *The Power of Limits: Proportional Harmonies in Nature, Art, and Architecture*
