Description :

PDF-8e988 | The distinctive iconography of Saul Leiter's early black-and-white photographs stems from his profound response to the dynamic street life of New York City in the late 1940s and 50s. While this technique borrowed aspects of the photo-documentary, Leiter's imagery was more shaped by his highly individual reactions to the people and places he encountered. Like a Magic Realist with a camera, Leiter a... *Saul Leiter: Early Black and White*
