Description :

PDF-17810 | The entire process of a handmade Bulldog Frame was photographed and is presented here along with a detailed explanation of every step. The process of building a Tattoo Machine Frame is not simple, but it's not entirely difficult either. I have no Machine Shop experience, and I have never received any Machine Shop training. If I can do it, so can you! The instructions within this book offer two d... *Tattoo Machine Builder: The Bulldog Frame*
