Description :

PDF-6e921 | The Terracotta Army is one of the greatest, and most famous, archaeological discoveries of all time. 6,000 life-size figures of warriors and horses were interred in the Mausoleum of the First Emperor of China — each is individually carved, and they are thought to represent real members of the emperor's army. This is the remarkable story of their creation, the man who ordered them made, their r... *The Terracotta Army*
