Description :

PDF-8b5b9 | This is a book that students of architecture will want to keep in the studio and in their backpacks. It is also a book they may want to keep out of view of their professors, for it expresses in clear and simple language things that tend to be murky and abstruse in the classroom. These 101 concise lessons in design, drawing, the creative process, and presentation -- from the basics of "How to Draw ... *101 Things I Learned in Architecture School (MIT Press)*
