Description :

PDF-8d578 | The Tower of London is an icon of England's history. William the Conqueror built the White Tower after his invasion and conquest in 1066, to dominate London and it has become infamous as a place of torture, execution and murder. The deaths of royals attracted most attention; the murder of Princes in the Tower, the beheading of Henry VIII's wives, Anne Boleyn and Katherine Howard, and Lady Jane Gre... *The Tower of London: The Biography*
