Description :

PDF-2e459 | Type Tells Tales focuses on typography that is integral to the message or story it is expressing. This is type that speaks - that is literally the voice of the narrator. And the narrator is the typographer. This can be quite literal, for example when letters come from the mouth of a person or thing, as in a comics balloon. It can be hand lettering, drawn with its own distinctive peculiarities that... *Type Tells Tales*
